

Commercial / Industrial Boilers, Burners, Control Systems, Pumps, Water Heaters and Accessories

BOILERS & WATER HEATERS

BURNHAM COMMERCIAL

Hot water & steam firetube, firebox and Scotch Marine design boilers and accessories

NAPOLEON

Gas and hybrid furnaces, central air conditioners, ductless heat pumps and air conditioners, mini-splits

COLUMBIA BOILER COMPANY

Hot water and steam watertube and firetube boilers & accessories

DE DIETRICH BOILERS

Cast Aluminum condensing boilers, stainless steel condensing boilers, stainless steel condensing water heaters,

VELOCITY BOILER WORKS

Atmospheric Gas Boilers
Oil/Gas Cast Iron Std. Efficiency Boilers
Condensing Gas Boilers
Indirect SS Water Heaters

BURNERS

Industrial Combustion

Forced Draft Burners
Gas/Oil Combination
9 or 30 PPM Low-Nox Capabilities

R.W. Beckett Corporation

Commercial Gas/Oil Burners
On/Off, Low-High-Low Firing Sequence
Full Modulation Firing Sequence

CONTROLS

FIREYE

Flame Safeguards & Burner Management Systems; MEC120, Flame Monitor E110, YB110 / ZB110, Nexus PPC4000, Nexus NX6100

HEAT TIMER

Electronic controls, sensors, valves and actuator products for boilers and building communication systems

HAYS CLEVELAND

Controllers and work Stations;
O2 Analyzers, Instrumentation
Actuators & regulators
Ancillary equipment

HONEYWELL

Industrial Controls, 7800 series Flame safeguards, HVAC Controls; Valves and motors; Pneumatic and electronic actuators

SIEMENS

Linkageless burner management systems, and variable frequency drives; Rotary and linear actuators; HART, Profibus PA, Foundation Fieldbus

SAGE METERING INC.

Thermal Mass Flow Meters; insertion or in-line style, platinum reference grade windings with a 316 SS protective sheath

Commercial / Industrial Boilers, Burners, Control Systems, Pumps, Water Heaters and Accessories

BOILER ROOM ACCESSORIES

APOLLO VALVES / CONBRACO

Ball, Butterfly, Gate and Globe Valves;
Actuators and controls; Water gauges;
Mixing valves, water pressure reducing
valves, safety relief valves

Caleffi Hydronic Solutions

Hydraulic Separation, Air & Dirt
Separators, Venting Devices, Zone
Valves & Relays, Temperature Mixing
Stations & Distribution Manifolds,
Domestic & Hydronic Valves, Auto Fill
Units & Backflow Preventers,
Balancing Valves, Fittings

DWYER INSTRUMENTS INC.

Pressure, temperature, and air velocity
gauges; Flow and level meters; Process
control; Data loggers and recorders

LS ELECTRIC

Variable frequency drives

FABTEK-AERO

304 Stainless Steel Condensate Units
304 Stainless Steel Feed Water Units
Square, Vertical, Low Boy, Elevated Designs

LOCKWOOD PRODUCTS

Condensate Return Systems, Boiler
Feed Systems, Deaerators, Pumps,
Blowdown Separators

MCDONNELL & MILLER

Low water cut-offs
Mechanical Feeders
Flow Controls

MEPCO

(Formerly Dunham-Bush)
Steam Traps, centrifugal pumps,
condensate return tanks, pressure
reducing valves, temperature control
valves

MILJOCO CORPORATION

Commercial, Industrial, and specialty
pressure gauges and accessories;
Industrial, Bimetal, vapor actuated,
drum and digital thermometers

INDUSTRIAL CHIMNEY COMPANY

Stack for Condensing Boilers
Stack for Noncondensing Boilers
Double Wall Air Insulated
Double Wall Insulated
